

OFFICIAL TERMS DOCUMENT

GARDEN SUITE ERP - TERMS & CONDITIONS
(Quotation Valid upto 23-Jun-26)

These terms apply to all Garden Suite ERP subscriptions including No Cloud, Cloud Lite, Cloud Plus Payroll, and Cloud Pro Operations plans.

1. Training Charges

Online Training & Implementation	Included in the active subscription and delivered by video call, phone, WhatsApp, email or remote desktop access.
Exceptional On-Site Service	₹1,000 per day. Not included in standard service. Prior written approval is required, and all travel and stay costs are extra.

* All regular training, implementation, support, updates and service are provided online and off-site.

2. IMPORTANT - Exceptional On-Site Visit: Air Travel & Accommodation

Standard Service Mode	All regular service is delivered online and off-site. No routine garden visit or local on-site support is included.
Exceptional On-Site Service	₹1,000 per day, excluding travel and stay. A physical visit will be considered only when mutually agreed in writing, subject to staff availability and advance payment.

IMPORTANT - CLIENT-BORNE AIR TRAVEL & ACCOMMODATION: The customer must arrange or reimburse 100% of actual return airfare, airport and local transport, suitable hotel accommodation, boarding and meals for the visiting Sarbani Associates team. These expenses are separate from all software, subscription, training, implementation and service charges.

3. Annual Maintenance Charges (AMC)

Garden Suite ERP	NIL - Included in active subscription
Face Application	NIL - Included in active subscription
Cloud Application	NIL - Included in active subscription

* AMC is valid only while the subscription is active and payments are current.

4. Warranty

BLE Scale / Hardware	1 year from date of purchase - excludes battery and adapter.
App & Software	Warranty is co-terminus with the active paid subscription period.

* Hardware warranty covers manufacturing defects only. Physical damage, misuse, or power-related issues are excluded.

5. Payment Terms

BLE Scale / Hardware	100% advance payment with Work Order.
App & Software - Monthly	Full month amount to be paid in advance on or before billing date.
App & Software - Yearly	1st time 50% as advance balance 50% after 1st wages payment generation. Annual Maintenance amount to be paid 100% in advance.
Monthly Price Lock	Subscription price is locked and guaranteed for 5 years from activation date. Price increase after that period will be done, primarily due to inflation adjustment & raised operational cost. Cloud Server cost is outside this lock and may change with 1 months notice, as and when cloud charges are hiked by our cloud service provider.
Grace Period	7 days from billing due date for subscription payment & 15 days after due date of Annual Maintenance

6. Non-Payment & Reactivation

Subscription Deactivation	If payment is not received within the 7-day grace period, the subscription will be deactivated without further notice.
Reactivation Charge	₹3,000 & is payable in full before reactivation. This charges is applicable to the entire system as a whole. For AMC payments also, the service will be stopped

** Sarbani Associates reserves the right to permanently terminate accounts with repeated non-payment history.*

7. Additional Discount

1-Year Advance Payment	1 month free (equivalent to 8.33% effective discount) - applicable on full annual advance payment.
-------------------------------	---

** This discount is in addition to standard multi-garden incremental discounts. Both benefits can be applied together.*

8. App & Software Modification Charges

Service Delivery Mode	Completely online and off-site. Support is provided through phone, WhatsApp, email, video call and remote desktop access. No routine on-site service is included.
Minor Modifications	NIL - included in subscription.
Major Modifications	Chargeable - scope and cost to be agreed in writing before commencement.
Face App Updates	NIL - all updates included in active subscription.
Cloud App Updates	NIL - all updates included in active subscription.

** Major modifications are defined as functional changes outside the original product specification. A written change request is required.*

9. General Terms

1. Subscription pricing is based on app users, gardens, and selected modules as per the agreed quotation.
2. Any changes to the number of users or gardens must be communicated in writing and will be adjusted in the next billing cycle.
3. Sarbani Associates shall not be liable for downtime caused by internet failure, power outage, or customer-side hardware failure.
4. All disputes shall be subject to jurisdiction of courts in Siliguri, West Bengal.
5. These terms are subject to change with 30 days written notice to the customer.

10. Bank Details

Account Name	SARBANI ASSOCIATES
Bank	CANARA BANK, BAGDOGRA BRANCH
Account Number	97263070000470
IFSC Code	CNRB0019726
Account Type	Current Account
Payment Ref	Please use Quotation Number as payment reference.

11. System & Hardware Requirements

The following hardware and software specifications are mandatory for Garden Suite ERP to function correctly. Hardware is to be arranged and maintained entirely by the customer. Sarbani Associates will not be responsible for any issues arising from non-compliant hardware or software environments.

A. Desktop / Workstation Requirements

Processor	Latest generation Intel Core i3 equivalent or above (Intel / AMD). Desktop preferred over laptop for operational stability.
RAM	Minimum 8 GB RAM. 16 GB recommended for multi-user or payroll-intensive use.
Storage	Minimum 512 GB SSD (Solid State Drive). Hard disk drives (HDD) are NOT acceptable due to performance and reliability concerns.
Operating System	Windows - latest version, fully up to date with all security patches applied. Outdated Windows versions will not be supported.
Browser	Brave Browser - pre-installed and set as the default browser for Garden Suite ERP web access.
Office Suite	Microsoft Excel and Microsoft Access - pre-installed (non-negotiable). Required for reporting, data export, and local operations.
Antivirus	Windows Defender (built-in) only. No third-party antivirus software to be installed. Third-party antivirus may interfere with application performance and data integrity.
Form Factor	Desktop PC strongly preferred over laptop. Laptops introduce instability risks in field environments. Laptop use is at customer's discretion and risk.

B. Mobile Device Requirements (Face Application)

Chipset	MediaTek Dimensity 6300 / Qualcomm Snapdragon 4 Gen 2 or above. Lower-spec chipsets will result in degraded face-recognition performance.
RAM	Minimum 8 GB RAM. Required for stable face recognition and data sync operations.
App Version	Always run the latest version of Garden Suite Face App. Outdated app versions will not be supported.
OS	Latest stable Android version as applicable to device. Keep OS updated for security and compatibility.
Storage	Minimum 64 GB internal storage recommended to accommodate app data, logs, and offline sync buffers.
Camera	Front Camera - minimum 30 MP, with good image quality and sensitivity
Connectivity	Stable Wi-Fi or mobile data (4G/5G) required for sync. Offline mode available but sync must be completed daily.

C. Software & Security Policy	
Hardware Ownership	All hardware is to be provided and maintained by the customer. Sarbani Associates has no obligation to repair, replace, or support customer hardware.
Pre-installed Software Issues	Issues arising from software not supplied or authorised by Sarbani Associates will not be entertained or supported.
New Software Installation	Installation of any new software on workstations used for Garden Suite ERP must be done in consultation with and approval from Sarbani Associates, due to data security and application integrity reasons.
Liability Waiver - Unauthorised Software	If any unauthorised software is installed without prior approval, Sarbani Associates will not be liable for any data tampering, theft, corruption, or loss arising thereof.
Third-Party Antivirus	Installation of third-party antivirus software is strictly discouraged. Windows Defender (built-in) is sufficient and recommended. Any data issues arising from third-party security tools are not covered under warranty or support.
User Responsibility	The customer is responsible for ensuring that all workstations and mobile devices used with Garden Suite ERP comply with these specifications. Non-compliance voids any support or warranty obligations on the part of Sarbani Associates.
* Sarbani Associates reserves the right to suspend support if customer hardware or software environment is found to be non-compliant with these specifications.	

13. Support, Service Levels & Implementation	
13. Online Support Process	All support is delivered online and off-site. Requests may be raised by phone, WhatsApp, email or designated remote support channels and will be addressed according to severity and business impact.
Response Time	Critical: within 4 business hours. High: within 1 business day. Medium: within 2 business days. Low: within 3 business days.
Addressing Critical Failures	Critical failures affecting payroll, attendance, data access or core operations will receive highest priority for remote diagnosis and escalation.
Data Backup & Retrieval	Cloud plans include routine backups. Data retrieval requests may require up to 3 business days depending on data volume and complexity. Customers are encouraged to maintain local exports where applicable.
Customization Time	Customization timelines will be provided after requirement analysis and depend on scope, complexity, and resource availability.
Implementation Time	Implementation, configuration, data review and user training are carried out online and off-site. Timelines depend on module count, data migration, infrastructure readiness and customer availability. A remote project schedule will be shared before commencement.
